We stand for equality, and our vision is a world where talent has no gender. Thus, we created SHESKILLZ GLOBAL, where we provide different Services and tools for female talents ("you" or "User") that may help women (and men when the specific program is open to them) accelerate their careers and may help promote their skills, competencies, and experiences. One of these Services is the Mentoring Program. As a registered User (a Candidate) of SHESKILLZ GLOBAL, you are eligible for the Mentoring Program. The Mentoring Program relies on experienced professionals who volunteer to be a Mentor.

This General Agreement on the Mentoring Program ("Agreement") governs the general terms and conditions of the Mentoring Program.

The use of our Services (as defined below) with SHESKILLZ GLOBAL is also subject to the privacy policy, which covers how we collect, use, share, and store your personal data. 2. Mentoring Program

2.1. General

If you are interested in participating in the Mentoring Program, you must apply for a place in a Mentoring Program. As places are limited, participation in the program is not guaranteed.

If you are considered for a Mentoring Program, you must sign this Agreement and send it to info@sheskillzglobal.com or for those attending a tailor-made program, the email address provided for the program.

After signing this Mentoring Agreement you will get access to the platform. On the platform, you will enter why you want a mentor and the topics for which you wish to be mentored. You will also set your goals. After entering all the information required, your profile is complete. Once accepted for the program, mentors who have entered the same information/topics as the Mentee will see the Mentee's profile and will send a mentoring request to the Mentee. After receiving the request, the Mentee will see the profile of the Mentor. It is up to the Mentee to decide if she/he to accept the request. Once the request is accepted, the Mentee and the Mentor can connect and agree on the first online session. If the Mentee declines the request of the Mentor, the Mentor will no longer be available and will mentor another Mentee.

Should the Mentee refuse more than two Mentors, it is in the sole discretion of Johnsenskillz to propose another Mentor or to terminate this Agreement with the Mentee with immediate effect. The Mentee has no right to the allocation of a specific Mentor.

It is not possible to complete the Mentor Program in an anonymous way. During the participation at the Mentor Program, you may interact with other Mentees and Mentors and third parties, especially during webinars. During the webinars, all the participants may see your name, video, and/or picture, and your email address, depending on the service used for the webinar.

If you have already completed a Mentoring Program, you are not eligible for another Mentoring Program. Should you have terminated a Mentoring Program early, it is in the sole discretion of Johnsenskillz to determine if you are still eligible for another Mentoring Program.

2.2. Mentor/Mentee-Relationship

The Mentor and Mentee individually determine the content, tasks, and goals of the Mentoring program based on their needs and experiences. The agreement on the content of the Mentoring Program can be concluded in writing as well as verbally. JohnsenSkillz suggests that the Mentor and Mentee determine the content, tasks, and goals in writing.

The Mentee will fill out »Session Minutes« on the SHESKILLZ GLOBAL platform for each mentoring session.

2.3. Session Minutes

The purpose of the »Session Minutes« is to assist the Mentor and the Mentee in documenting what parameters and goals will serve as the foundation of the mentoring relationship.

2.3.1. Goals/Development stair(s)

Under the title "Development stair« or »goal«, you determine what you hope to achieve as a result of the mentoring Program. The goals may be (non- exhaustive list) daily operational issues/topics that you would like to discuss, explore new career opportunities/alternatives, obtain knowledge of organizational culture, networking, and leadership skill development.

2.3.2. Meeting frequency

The Mentoring Program consists of a total of 4 Sessions. The Sessions will take place online. Each Session lasts from 45 minutes to 1.5 hours.

You and the Mentor determine the frequency, the duration, and the digital location of the Sessions.

2.3.3. Duration / Termination

This mentorship relationship will continue as long as you and the Mentor feel comfortable with its progress and results, or until all four sessions have been held.

You or the Mentor may terminate the Mentoring Program at any time, and we agree to honor your decision to stop the Mentoring Program. In order to terminate the Mentoring Program, please contact us by email (contact details in 1.2. above).

2.4. Webinars

During the Mentoring Program, you will assist with at least 2 to 3 webinars for which you must register in advance. The registration and information you will take from the invitation for the webinar.
